

Yevro™ Solid Polycarbonate - Limited UV Performance Warranty (15 Years)

Issuer

This Limited Warranty is issued by **Yevro Polycarbonate Supply** ("Yevro") to the original purchaser of eligible Yevro-supplied solid polycarbonate sheets in Canada.

Coverage Period

This Limited Warranty applies for **15 years** from the delivery date (or invoice date, whichever is earlier), unless stated otherwise on the invoice or quote.

What is Covered (UV performance only)

This Limited Warranty covers qualifying UV-related performance degradation of UV-protected solid polycarbonate sheets during the coverage period, provided the product is stored, handled, installed, used, and maintained correctly. This is a UV Performance warranty only.

Conditions of Coverage (must be met)

To remain eligible for coverage under this Limited Warranty, the following conditions must be met:

- Proper storage before installation (flat, supported, protected from heat build-up and weather exposure)
- Correct installation practices, including allowance for thermal expansion and contraction
- Use of compatible sealants and cleaners (avoid harsh solvents)
- Avoid contact with incompatible chemicals (including solvents, gasoline, strong detergents, and other substances known to affect polycarbonate)
- Use of the product in normal outdoor Canadian conditions and within the product's recommended operating range

Not Covered (Exclusions)

This Limited Warranty does not cover:

- Incorrect installation, fabrication, handling, transport, or use
- Damage caused by improper storage, heat build-up, stacking pressure, or jobsite conditions
- Scratches, abrasion, impact damage, vandalism, fire, or accidents
- Damage to the protective UV layer
- Chemical damage caused by incompatible cleaners, solvents, adhesives, sealants, paints, or other chemicals
- Damage caused by excessive heat, pressure, vacuum forming, or bending beyond recommended limits
- Optical distortion or cosmetic issues that do not meet the definition of qualifying UV performance failure
- Use outside the product's recommended operating range
- Labor, removal, re-installation, project delays, loss of profit, or consequential damages, except where required by law

Remedy (Material only)

If a claim is approved, Yevro will provide, at its option:

- replacement material (or equivalent), or
- credit toward replacement material, or
- refund of the purchase price of the affected material

Remedies are limited to the material only.

If a claim is approved, Yevro will provide the applicable remedy within **30 calendar days of claim approval**, subject to inspection requirements and product availability.

If return of the product is required for evaluation, return, removal, and re-installation costs are the buyer's responsibility unless Yevro states otherwise in writing. Yevro may determine that return of the product is not required.

How to Make a Claim

Notify Yevro within **7 days of discovering** the issue.

Please provide:

- Invoice or quote number and delivery date
- Thickness, quantity, and photos of labels or batch information (if available)
- Photos or videos of the issue and wide shots showing the installation

context

- Installation date, project location (city/province), and application type
- Notes on cleaning and maintenance products used
